**Great Results Guarantee**

**Under the agreement for 2015**
Severnlea State School will receive

$8,410*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

**This funding will be used to**

- Increase the percentage of students above NMS from 50% to 85% in reading.
- Increase the percentage of students above NMS from 50% to 85% in numeracy.
- Ensure all students not on an Evidence Based Plan achieve NMS.
- Develop evidence based plans for students who are at risk of not reaching NMS in literacy and numeracy.
- Develop teacher and teacher aide capability in the teaching of reading.

**Our strategy will be to**

- Implement a one on one Early Intervention Program to increase student capabilities in literacy and numeracy and increase students above the NMS.
- Employ a teacher aide four days a week for four hours a day to run the intervention program.
- Use short cycle collection processes to continually review and update information for the intervention program. These include, PM benchmarking, teacher observations and portfolio of student work.
- Update PM reader library to ensure sufficient resources are available for the implementation of the reading program.
